

# WG 3 : Fat tissue and more

Mid term...time to act...for me

# No excuses but...

- Pierre Sonveaux was chosen as MC member by Belgium : was he active? No communication so far with him...
- Difficulties to have to get Oroboros equipment (2 grant applications-rejected). PWI/PNI-PFTE (equipment requested)
- Transgenic mice for Sirt 3 (Cre/Lox in adipose tissue and systemic) : OK- measurements in 2018-2019 (Dr Dominique Votion : ULg, Belgium)
- Training and/or workshop for Julie Storder : STSM
- Change in representation of mito respiration in reference books « Campbell » and « Raven » for their next edition. Erich ?
