

2nd International Munich ROS Meeting

July 6-8, 2018

German Heart Center Munich

Topics

- ❖ *ROS and metabolism: from cancer to cardiovascular diseases*
- ❖ *ROS, stem cells and regeneration*
- ❖ *ROS, development and epigenetics*
- ❖ *ROS; news in biology, physiology and technology*

Opening lecture: Thomas Braun, Bad Nauheim

Keynote lecture: Poul Sørensen, Vancouver

Organizer:

Prof. Agnes Görlach

German Heart Center Munich at the Technical University Munich

Lazarettstr, 36

80636 Munich

p: +49-89-12182700

Preliminary Program

Friday, July 6, 2018

14.00-14.15	Welcome
14.15-15.15	Opening lecture: Thomas Braun, Bad Nauheim
15.15-16.15	Redox regulations and development
16.15-16.45	Coffee break
16.45-18.45	ROS and redox regulations: modes and methods
19.00	Reception

Saturday, July 7th, 2018

8.30-10.30	ROS, redox regulations and metabolic diseases
10.30-11.00	Coffee break
11.00-12.00	Key note lecture: Poul Sørensen, Vancouver
12.00-13.00	Lunch break
13.00-15.30	ROS, redox regulations and tumor biology
15.30-16.00	Coffee break
16.00-18.30	ROS, redox regulations and cardiovascular diseases
19.30	Dinner

Sunday, July 8th, 2018

9.00-11.00	ROS, redox regulations: aspects and perspectives
11.00	Wrap up and Farewell
